Amendment No. 3 to Registration Statement on Form S-1

General

1. Please provide an analysis explaining why you believe that the existence of the agreements with respect to limit orders, and the limit orders themselves, is consistent with Regulation M under the Exchange Act with respect to the initial distribution. See Key Hospitality Acquisition Corp., SEC No-Action Letter (October 12, 2005), in which the staff took a no-action position with respect to warrant purchase agreements.
2. We note your disclosure on the cover page and throughout your prospectus that your Sponsor and I-Bankers pursuant to agreements with you will enter into limit order agreements in accordance with the guidelines of Rule 10b5-1 and Regulation M under the

3. We note the sub-heading description here that your affiliates will be permitted to purchase "public shares and warrants." Elsewhere in the description here you state that your sponsor has agreed, pursuant to a letter agreement with you to place limit orders, through an independent broker-dealer registered under Section 15 of the Exchange Act to purchase up to an aggregate of 3,750,000 of the registered "rights" in the open market at market prices, and not to exceed \$0.20 per "warrant" during the prescribed period. Please reconcile your disclosures to describe the securities under the limit orders.
